【Notes】
・ Usage with au Unlimited Data Overseas is included in the usage amount for determining automatic discounts based on data usage for the following plans: "Unlimited Data MAX Plan," "au Money Activity Plan" and "Data MAX" for au, and Toku-Toku Plan for UQ mobile.
・ This service covers email, Internet use, and tethering from au/UQ mobile/povo1.0 devices.
・ ＜If you are using au and not subscribed to Data Charge＞ au Unlimited Data Overseas will not apply, and you will be charged according to Kaigai Double-Teigaku for your data communication charges.
・ ＜If you are using au/UQ mobile and do not wish to use au Unlimited Data Overseas＞ You must apply for the "Option Rejecting au Unlimited Data Overseas"; in this case, you will be charged according to Kaigai Double-Teigaku.
・ Your line may be temporarily suspended if your charges for overseas data communications become particularly high.
・ Depending on the telecommunication situation at your destination, our partner overseas operators, as well as applicable countries and regions, may vary or become unavailable.
・ The service may not be accessible even in covered countries and regions, depending on the terrain and location.
・ Your communication speed may be restricted if you use a significant amount of data within a certain period of time (in 24-hour increments).
・ If you reissue an eSIM after starting au Unlimited Data Overseas, data communication through au Unlimited Data Overseas will no longer be available, regardless of your remaining time. To resume data communication, you will need to start au Unlimited Data Overseas, but please note that additional fees will apply.
